TOYOTA **ACCESSORIES**

Only Toyota Genuine Accessories are designed and manufactured to the same high standard as original parts. Only Toyota Genuine Accessories are engineered using manufacturer data to ensure that vehicle integrity is not compromised. This means the functionality of important precision systems such as airbags will not be impaired by their installation.

T Custom Accessories are designed and developed locally by Toyota New Zealand Limited accessory engineers. They are manufactured using respected local and global suppliers to suit the New Zealand customer usage and operating conditions. Every T Custom Accessory has gone through extensive testing and meets all local requirements and standards. T Custom Accessories are backed by engineering and usage experience gained from years of local accessory manufacturing.

Protect yourself and your vehicle using Toyota Genuine and T Custom Accessories. Only Toyota Genuine and T Custom Accessories offer the reassurance of a manufacturer backed 3 years or 100,000 kilometres* warranty when fitted at time of new vehicle purchase at your authorised Toyota Dealer.

For accessory applicability and availability for your vehicle, please consult your authorised Toyota Dealer.

Throughout this brochure each accessory image is keyed to show origin of development and model range it applies to.

- Driving Lights- Round
- Bonnet Protector-Tinted
- Headlight Protectors
- Weathershields
- Mirror Spacers
- Tray Body - Heavy Duty Alloy
- Towbar and Accessories
- Steel Wheels 15"x 7"

(SR5 Extra Cab original equipment spare wheels fitted with off-road tyres for display purposes)

BULL BARS

TGA 4WD

'Breaker' Steel Bull Bars - Front Bumper Replacement.

Heavy duty steel construction with grey powder-coat finish has been extensively off-road tested for unmatched durability and toughness. Crash tested under scientific conditions to ensure SRS airbag compatibility. Includes driving light and CB aerial mounts and is winch capable. SR5 variants have fog-light housings.

TGA 4WD

'Forge' Alloy Bull Bars - Front Bumper Replacement.

Fabricated from a strong but relatively light aluminum alloy pressing, the polished alloy 'Forge' bull bars combine good looks with excellent protection. Crash tested for SRS airbag compatibility. Driving light compatible. SR5 variants have fog light housings.

TGA 4WD

Superwinch - 4082kg (9000lbs)

Be prepared for every eventuality with a Superwinch with its powerful electric motor and heavy duty solenoid unit. For safety and convenience an all-weather remote control is included. Winch cradle required to fit to the 'Breaker' Bull Bar (sold separately).

TGA 4WD

Side Rails with Steps

Protect the front fenders and the sides of your Hilux with the heavy duty steel Side Rails with Steps. Step plates are alloy checker-plate for a durable non-slip surface. Requires 'Breaker' Bull Bar (sold separately) for fitment and will only fit vehicles without fender flares.

NUDGE BARS

REAR BULL BARS

TGA 2WD 4WD

Nudge Bar - Standard

Add extra visual appeal with these Nudge Bars made from polished stainless steel, for an enduring bright finish and ease of maintenance. Mounts are provided for Driving Lights. SRS airbag compatible.

TGA 2WD 4WD

Nudge Bar - Deluxe

The Deluxe version of the Nudge Bar has all the attributes of the standard version with the addition of lower crossbar for additional dynamic appearance. SRS airbag compatible.

T-C 2WD 4WD

Rear Bull Bar - Stainless Steel

Protect the rear of your Hilux with this highly polished stainless steel Rear Bullbar. The bright finish complements the SR5's plated rear bumper. Requires towbar for fitment (sold separately).

T-C 2WD 4WD

Rear Bull Bar - Steel

Add additional rear protection to your Hilux with this tubular steel Rear Bull Bar. Finished in a durable grey powder-coat that goes with the non-SR5 grey bumpers. Requires towbar for fitment (sold separately).

T-C 2WD 4WD

Rear Corner Protectors

These powder-coated steel Rear Corner Protectors will provide additional defence against bumps and dings, and are compatible with the Rear Park Assist system. Requires towbar for fitment (sold separately).

CAUTION: Please consult your local Toyota dealer for alloy wheel applicability and recommended tyre sizes. Double Cab 4WD with VSC require at least 17" wheels or brake calliper interference issues may occur. We recommend using tyres with the same original equipment rolling diameter for accurate speedometer performance and have the equivalent (or better) load ratings.

NOTES: All Toyota Genuine Alloys use the original equipment style flat washer wheel nuts. Some alloy wheels will not fit the spare wheel locations, depending on model and grade. Hilux 4WD have a different number of wheel studs (6 x139.7) than 2WD (5 x 114.3).

WHEELS AND ACCESSORIES

TGA 4WD

'TRD' - 17" x 7.5" Alloy Wheel

Originally designed for Toyota Australia's limited edition TRD Hilux these aggressively designed 17" six spoke wheels are beautifully finished with metallic grey inset detailing and polished alloy highlights. Colour matched wheel centre caps required (sold separately).

TGA 4WD

'TMAP' - 17"x 7.5" Alloy Wheel

Make an impact with this strikingly designed 17" alloy wheel. Superbly detailed with charcoal inset details and polished alloy spoke highlights. Includes centre cap.

TGA 4WD

'TMAP' - 16"x 7" Alloy Wheel

One of our favourites, this 16" wheel has a strong design style with a great looking distinctive shadow chrome finish. Not compatible with Double Cab 4WD models with VSC.

TGA 2WD 4WD

Alloy Wheel Locking Nuts

Keep your alloy wheels safe and secure with this locking wheel set. Designed to replace the original equipment alloy wheel flat washer wheel nuts, and supplied with hardened nickel coated key.

TGA 2WD

'TMAP' - 15" x 7" Alloy Wheel

This great looking multi-spoke wheel is a cost effective option as you can use the Hilux 2WD original equipment tyres. Finished in a distinctive shadow chrome.

T-C 2WD

'MOHAVE' - 16"x 7" Alloy Wheel

Another classic design for 2WD models, this popular 16" wheel has a solid physical presence with wide and contoured spokes.
